Dear Harold:

I was delighted to receive your recent flyer since I have been trying to complete my collection of books you have written on the JFK assaaaination. Enclosed is my order blank.

I had met you at the Committee To Investigate Assassinations seminar in Washington a couple of years ago, gave you my address, and asked you to keep me up to date on your publications. I hope that you will continue to do so in the future.

In the meantime, I am going to see what I can do to interest other people in purchasing a complete set both to gain the knowledge I have gained as well as to support you in the very important work you are doing on this subject.

Thank you and I look forward to hearing from you.

Sincerely,

JEFFREY M. SHUBERT
